

**To all the members of Smithers Golf & Country Club**

April 5, 2019 was my last day as Head Golf Professional/Club Manager of Smithers Golf & Country Club.

Last year was a positive experience despite the number of hours I spent running the operations of the golf club. The club ended the 2018 year with success and this is what matters the most. Tomorrow, I will be leaving Smithers. I just would like to thank all of you for your support and particularly those that gave me a very warm farewell. Little things that came from your heart have been very well appreciated and an experience that I will never forget.

The past few days, I had the pleasure to work with John Pierce, your new Golf Professional. During this short-period of transition, I gave him the necessary training and provided the necessary tools to promote continuity and to meet the needs of the membership.

Spencer Walton and Donna Thomas have been reliable employees and great people to work with. They have both confirmed their return. I am quite confident that they will do their best to support John Pierce in running the golf operations.

With the successful strategies that were put in place last year and with the support of the Board of Directors and membership, John should be in a favorable position to promote a second year of success.

I wish to all of you a great 2019 golf season and lots of good rounds.

Best Regards,

A handwritten signature in dark ink, appearing to read "Anouk Guelidi". The signature is written in a cursive style with a long, horizontal flourish extending to the right.
